## What I'm Looking For

I am a recent graduate from the New Media and Web Development program at BCIT. I learned how to create websites, mock-ups, prototypes, logos, posters, illustrations and possess UX/UI knowledge.

I aspire to join a collaborative team that's open to knowledge sharing. My previous work experience in the service industry has allowed me to gain a unique perspective on how to apply empathy towards customer experiences, both online and offline.

## Skills

HTML5  
CSS3  
JavaScript  
jQuery

PHP  
Frameworks (Bootstrap,  
Pure.css)  
Adobe Products (Illustrator,  
Photoshop, After Effects, InDe-  
sign)

## Education

-  BCIT New Media and Web Development, Certificate (in progress)
